

First Name: Roberto

Last Name: Noel

NYU ID: rpn241

=====

Files submitted:

src: (same as object files)
 memory-management.c
 memory-simulation-run.c
 memory-simulator.c

Makefile
output.txt (sample output)
report_Noel_Roberto_rpn241.pdf (report)

=====

Compilation rules in the Makefile:

make all: runs runstack and libs. Use SZ=(int for stack size) to adjust stack size as needed

make build: builds obj Files

make clean: cleans obj Files

Note: you can edit the strategy in the Makefile.
